Application Procedures

1. An application must be received from any vendor interested in participating in the market.
2. Any new product introduced by a vendor abide by the provisions of the Goshen Farmers Market Operating Policies.
3. The Vendor Committee will select vendors and products based on criteria laid out in Goshen Farmers Market Operating Policies.
4. Applicant must provide detailed information on their product.
5. **All prospective artisans must either send pictures or samples of their work.**

Artisan items must be both hand-made and home-made, and meet at least **three of the four criteria below**:

- Crafted product should be produced from plant or naturally-derived materials (no plastics, synthetics, etc.)
- Crafted product should be of the artisan's design, not based on prefabricated models, patterns or mass-produced parts
- Crafted products should represent original work which offers an alternative to commercial products.
- Crafted products should show a high level of craftsmanship, unusual in technique, skill required for production, or represent a "lost art"

Preferences will be given to the following categories:

- Is unique to the Market
- Represents a multicultural presentation

Please describe your art or craft in detail. How is your product unique and in what ways does it comply with the above-described criteria?

I have read and understand the policies and procedures outlines in the Goshen Farmers Market Operating Policies I agree to abide by the policies outlines within.
